

Character Map Worksheet

Instructions:

1. Fill out a character sheet for each speaking character as you read through the book.
2. Use the information to make voice acting choices for the character.

Monologue Creation

3. After filling out the character sheet, use the information to create a 1 – 2 minute monologue describing the character, how they are bound to the story and their personal thoughts about what is going on. Write this monologue in the space below. Record the character monologue and save this file for quick reference during recording.
